

Item song should be banned or not

1. Item songs should be banned because in these songs women are shown as an object .
2. These type of songs effects mentality of young childrens .
3. Just for sake of more money actresses get ready to perform item song and they don't care about impact or image they are distributing to society.actresses are degrading value of womens.
4. Banning these song want effects movie because genuinely content mattere most.
- 5.
